Legacy of ACTion

A planned gift, such as a bequest in a will or gift of life insurance, is the ultimate expression of support in our fight against HIV/AIDS. ACT's legacy fund was created in 1999 and is housed with the Toronto Community Foundation. Upon completion of fiscal year 2010-11, the fund stood at over \$803,000.

We thank the many individuals who have made a planned commitment to ACT, and gratefully acknowledge the legacies left by the following individuals in the last fiscal year:

Estate of Norman Charles Joseph Conrath

Estate of Gordon Murray Lloyd Hunter

Estate of Charles M. Roy
